PROGRAM LAST WEEK

Last week program was scheduled for the Boy Scouts of America however they were not able attend so we will schedule them for another date. We decided to have a craft talk from Alex Manuel of Hilltop Carpet who missed our last craft talk meeting.

Hilltop Carpet is located at the top of the hill in Daly City at John Daly Blvd and Mission Street. Alex told us about the services he provides, from carpets to hardwood floors, he has a full service operation.

President Aubrey gave a short talk on what it means to be a Rotarian. He said that a lot of people join Rotary but do not become a Rotarian until later. He talked about several Rotarians who were involved in international projects and community projects that changed their lives forever. He talked about his own experience with the Wheelchair Foundation when delivery chairs to Ensenada Mexico and about helping send school buses and wheelchairs to Armenia.

Past President Skip Del Sarto talk about his experience in helping one of his former students to get into the University of Berkley while he was President.
